

My Jimmy Lad

Have you seen owt of my Jimmy lad
And are you sure he's well oh
He's gone along far far from my hand
He's gone with his ship and his men oh

*Have you seen owt of my Jimmy Lad
And are you sure he's well oh
He's gone along far far from me hand
He's gone with his ship and his men oh*

When you meet up with my Jimmy Lad
When you meet up with my James O
Say that we pray for him each stormy night
That to us he will safely return o

Have you seen out of my Jimmy Lad
Cause if you do please tell the treasure
His wife she is waiting at home for the lad
And her aching heart misses his pleasure
